Re: Systemwide Review: Proposed Presidential Policy on Classification of Gifts and Sponsored Awards

Dear Chair White,

At its meeting on April 7, 2021, the Council on Research (COR) had an opportunity to review the proposed Presidential Policy on Classification of Gifts and Sponsored Awards. Members offered the following comments.

Members observed that although the policy is intended to provide clarity, it has ineffectual and unclear aspects. It lacks flexibility built into the process to classify awards that have a specific intent. Members indicated that some might take advantage of the ambiguity to avoid certain institutional taxes.

Moreover, a few members proposed different tiers for indirect cost recovery as a mechanism for facilitating funding in which the agency or foundation is unable to afford the indirect cost.

Thank you for the opportunity to review and comment. If you have any questions for us, please do not hesitate to contact me at julianmartinez@mednet.ucla.edu or via the Council's analyst, Elizabeth Feller, at efeller@senate.ucla.edu.

Sincerely,

Julian Martinez, Chair
Council on Research
