Re: (Systemwide Senate Review) Proposed Revision to Senate Regulation 610 (Residency)

Dear Chair Gauvain,

The Divisional Executive Board, councils, and committees appreciated the opportunity to review the (Systemwide Senate Review) Proposed Revision to Senate Regulation 610 (Residency). The Executive Board reviewed the proposal and divisional committee feedback at its meeting on May 13, 2021. Members concurred that, regardless of modality, official approved UCLA courses should count towards the required six courses for residency. They noted that the systemwide regulation sets a minimum threshold, but also allows divisions to set a higher bar, providing some divisional flexibility. Members appreciated that this regulation addressed residency for degree completion, not for consideration for in-state tuition, but that such a clarification might prevent confusion.

Sincerely,

Shane White
Chair
UCLA Academic Senate
