Re: UC Health Participation in Activities under the End of Life Option Act

Dear Chair White,

At its meeting on April 28 2021, the Faculty Welfare Committee discussed the UC Health participation in activities under the End of Life Option Act. Committee members offered the following comments.

Members agreed with the changes to the policy, which they found to be mostly editorial. A majority agreed that not providing end of life services is an important clarification to include in the policy.

Sincerely,

Huiying Li, Chair
