Re: (Systemwide Senate Review) Draft Revised APM 025 and APM 671

Dear Chair Horowitz,

The Divisional Executive Board, councils, and committees appreciate the opportunity to review the proposed revisions to APM 025 and APM671. The Executive Board reviewed the proposal and divisional council and committee feedback at its meeting on January 6, 2022.

Executive Board members voted unanimously to reject the proposal as written. Per the detailed attached feedback, Senate members expressed concerns about the inclusion of postdoctoral scholars, the lack of reference to NIH and NSF policies that informed the proposal, the lack of clarity between domestic and foreign activities as defined, and the need to disambiguate foreign influence from percent commitment.

Sincerely,

Jody Kreiman  
Chair  
UCLA Academic Senate
