Re: (Systemwide Senate Review) Presidential Policy on Affiliations with Certain Healthcare Organizations

Dear Chair Horwitz,

At its meeting on June 2, 2022, the Executive Board reviewed the Presidential Policy on Affiliations with Certain Healthcare Organizations and the range of divisional committee and council feedback. After discussion, members voted unanimously to endorse the proposed policy. Members emphasized that the policy addresses undue constraints on training imposed by policy based restrictions on health care, protects free speech, and enables more comprehensive patient care and referrals by medical professionals.

Sincerely,

Jessica Cattelino
Chair
UCLA Academic Senate
