Re: New UCLA Policy: Human Gene and Cell Therapy Program

Dear Chair Kasko,

At its meeting on October 4, 2023, the Council on Research (COR) reviewed and discussed the draft new UCLA Policy on Human Gene and Cell Therapy Program.

Members agreed that the policy formalizes what had been common practice. Members commented that the proposed policy is appropriate and straightforward.

Thank you for the opportunity to review and comment. If you have any questions for us, please do not hesitate to contact me at asampath@jsei.ucla.edu or via the Council's analyst, Elizabeth Feller, at efeller@senate.ucla.edu.

Sincerely,
