Michael J. Beck  
Administrative Vice Chancellor, UCLA  

Monroe Gorden  
Vice Chancellor for Student Affairs, UCLA  

Re: Proposed UCLA Time, Place, and Manner Policies

Dear Administrative Vice Chancellor Beck and Vice Chancellor Gorden,

At the February 15, 2024, meeting of the Executive Board (EB), members reviewed the Proposed UCLA Time, Place, and Manner Policies and the attached responses from divisional Senate committees and councils.

Members voted unanimously in favor of a motion to decline to endorse the policies and to point to letters from the Senate committees, which include disagreement regarding place restrictions, volume, voter registration, advance notice, gender, and more. Further, the approved motion expressed an overall concern that principles of expression, free speech, and academic freedom are being limited without adequate justification; predicted selective enforcement; found the policy arbitrary; and observed that it demonstrated a real gulf in understanding of speech and other expression on campus.

Members described the proposed policies as fundamentally flawed, highly problematic, and completely incompatible with the notion of a university. They conveyed overall concern about how expression and speech would be limited, concerns about selective enforcement, and that the proposed policies are incompatible with the principles and practices of campuses.

Members noted that as an open, public campus, it did not appear realistic to try to prevent people in a public space from saying what they want. They observed that most protests travel across the campus rather than stay in one place. Members added that sometimes people have it as their goal to get arrested; the stricter the policy the quicker people will be arrested, which is counterproductive if the goal is to lessen disruption. They suggested that allowing people to say what they want to say will create a more peaceful campus.

Members suggested providing clearer definitions. For example, what is considered a “major event” and who makes that determination? Members worried that the current construction of the whole policy appears arbitrary with unclear distinctions that could lead to administrative fiat over public discourse.

Members appreciated, and concurred with, the feedback from divisional Senate committees and councils. They suggested a close review of the attached committee letters. EB welcomes an opportunity to review a revised proposal that reflects the values of a premier public research university.
The UCLA Academic Senate appreciated the opportunity to advise on this important issue.

Sincerely,

Andrea Kasko

Re: Proposed UCLA Time Place and Manner Policies

At its meeting on February 14, 2024, the Committee on Privilege & Tenure (P&T) had an opportunity to discuss the Executive Board’s request for advisement on a set of UCLA Policies deemed as “Use Policies” or “Time Place and Manner Policies.” These proposed policies include: General Use of University Property (with definitions); Public Expression Activities Policy (with Map of Areas for Public Expression Activities); and Organized Events. Many of the elements of the proposed “General Use of University Property” (General Use) parallel Regents “Regulations Governing Conduct of Non-Affiliates in the Buildings and on the Grounds of the University of California.” The General Use proposed policy, however, is more expansive and applies equally to students and employees, including faculty. According to the introduction: “The Use Policies are designed to protect and promote the rights of members of the University, prevent interference with UCLA functions or activities, and assure compliance with all pertinent laws and other applicable University Policies.”

The proposed policy is relatively straightforward but with some ambiguities which we address below. Committee members agreed in general that faculty have a right to expect general protection in order to carry out their work. Insofar as this policy is intended to ensure personal safety of University students and employees, members are supportive of the detailed lists of the “Strictly Prohibited” list. Members are hopeful this signals that there will be more enforcement of “non-affiliates” who not only camp out on University property, but become a threat to persons or property. One objection to this list is the inclusion of marijuana and other tobacco products. For one, many faculty conduct research involving cannabis and tobacco products. In addition, it is unclear if the University’s non-smoking policy, which was passed several years ago, includes marijuana, which was not legal at that time.

Members also found that the proposed policy may already be out-of-date owing to recent experience with (a) COVID and how the need for appropriate preventative health measures may change the guidelines; (b) strikes and union activities that sometimes present a physical threat to faculty, staff, and students; (c) physical security for individual faculty, staff, and students that sometimes accompanies
major events (vs the emphasis on disrupting an event); (d) the policy does not address continued diversification of work sites associated with the campus through satellite medical facilities and new locations ranging from downtown to the Westside Pavilion and all of the implications for freedom of expression and safety; and (e) increased use of remote communications via Zoom for academic and non-academic events, including (but not limited to) the potential for disruption such as "Zoom bombing" and other activities which, had they occurred in person, could be considered equally disrupting and/or threatening.

As mentioned above, Regents regulations (and possibly existing laws) already allow exclusion of Non-Affiliates for the reasons articulated in this proposed policy. Members were concerned about provisions discussing enforcement for faculty and a risk of possible arbitrary enforcement. According to the proposed policy, if the Vice Chancellor Academic Personnel (Chancellor’s designee for Faculty and Emeriti Faculty) determines there is reasonable cause to believe (a very low standard of proof) the individual has Willfully Disrupted the orderly operation of the campus or University Property, individuals may be excluded from University Property campus for up to fourteen (14) calendar days. Individuals may request a hearing before the Administrative Vice Chancellor; if requested, the hearing must be held within seven (7) days. In addition to exclusion, the policy indicates the possibility that faculty might be subject to discipline if they are deemed to have violated the policy: “Violation of University or UCLA policies may subject a person to legal penalties; if the person is a Student or Employee of the University, that person may also be subject to discipline in accordance with University and UCLA policies.” It is unclear who would decide that policy had been violated and what standard would be used. Exclusion, presumably used for safety reasons, only requires “reasonable cause to believe” there was a willful disruption. Members also thought there should be clarification as to when “willful disruption” becomes subject to police intervention rather than a determination by the Chancellor.

Members had concerns about the use of the word “obligation” for event organizers and senior administrators, who are required to “promptly alert the Administrative Vice Chancellor (“AVC”) at adminvc@ucla.edu or UCPD” if they become “aware of a possible demonstration likely to occur at the Major Event.” The provision claims that the “reporting obligation” arises from a recommendation from the Edley-Robinson Report (2012), a 158-page report written in response to physical altercations between police and protestors on UC Davis and Berkeley campuses. That report, however, encourages communication by organizers and senior administrators with potential protestors in positive terms (p. 56 ff) as part of efforts to prevent clashes or police intervention during a protest. Nowhere does it recommend an enforced reporting “obligation.” This seems heavy-handed, especially since it could apparently be enforced even for a “possible” demonstration and could lead to a culture of suspicion and accusation rather than the dialogue that is encouraged in the Edley-Robinson Report.

Members had a few other concerns not directly related to faculty rights which we list here: Whether University employees and students should have the same speech restrictions as Non-Affiliates; the policies seem more focused on disruptions of protests and protection of campus structures than on safety; there four areas that allow public expressions do not include any designated areas near south campus/ the medical complex; It is unclear why up to $1,000,000 per year is dedicated to RCO or
University Unit sponsored event security and only $250,000 to host a free speech related event by a Non-Affiliate. Arguably, Non-Affiliate events might carry a higher security risk.

In addition to the above comments, members had some recommendations:

- The Administration should provide clarity on how they propose to enforce this consistently.
- The Administration should also provide some actual examples of incidents with an explanation of why other policies are insufficient and how the particulars in this policy will help.
- How will responsible parties differentiate between a threat and simple harassment? Some faculty, for example, felt harassed to sign petitions or to take part in an action. When might this become disruptive or a threat? There is also no mention at all of hate speech. There should be a better definition of a threat.
- There should be a clear clause that protects faculty rights.

Re: Academic Senate Review - Proposed UCLA Time, Place, and Manner Policies

Dear Chair Kasko,

At its meeting on February 9, 2024, the Committee on Academic Freedom (CAF) reviewed the proposed UCLA Time, Place, and Manner Policies. Through its discussion, the committee recognized the important goals of the proposed policies, but had concerns about some aspects.

Overall, the committee viewed the policies as taking an extreme approach, with limitations that were sometimes unnecessary and difficult to enforce.

Some specific concerns were as follows:

   The committee believed that the proposed policies should either include or reference definitions of “harassment” and “intimidation.”

   UCLA Policy XXX: General Use of University Property, states that “registration of voters must be approved by the appropriate designated University official.” The First Amendment highly protects political speech, since citizens must be informed in order to cast their ballots intelligently. To allow such political speech but condition voting registration activity on a university official’s approval misses this rationale for free speech, the health of democracy. Approval should not be required.

   UCLA Policy XXX: General Use of University Property also reads, “The Chancellor or other officials designated by the Chancellor may exclude a Student, Employee, or Emeriti from University Property if they determine there is reasonable cause to believe the individual has Willfully Disrupted the orderly operation of the campus or University Property.” This section lets administrators separate a faculty member from his or her office, lab, and colleagues, and to do so without due process and, by repeated application of the decision, to do so indefinitely. The policy provides for a hearing, but the decider would be an appointed administrator. Shared governance principle requires that the faculty should participate in discipline matters for its members. While it is reasonable that an administrator be empowered to take action in an emergency, the decision should be reviewed promptly by a faculty committee. A mechanism for this is already in place: ad hoc hearing committees of faculty are appointed by the Privilege and Tenure Committee.

   UCLA Policy XXX General Use of University Property prohibits personal disguises when donned for certain purposes. Masks are not uncommon in political demonstrations, and while the policy does not prohibit them per se, it seems to suggest that the campus police can judge their intent. They can be worn by those planning to engage in violence, but also, justifiably, by those who worried about
disease, or about retribution for joining the demonstration. It might be useful to reexamine this section.

Language in UCLA Policy XXX: Organized Events states, “No Organized Event may occur without EOL Registration. All requests must be submitted through EOL Registration for appropriate review and approval at a minimum of ten (10) working days prior to the execution or administration of any Organized Event.” The committee believes that this standard would cause an unreasonable delay in the case of a meeting responding to a surprise occurrence, such as the murder of George Floyd or the war in Gaza. Rather than forcing a two-week delay in discussing the occurrence and informing the community about it, the policy should allow some official to waive the delay in such situations.

The current version of UCLA Policy 862: Major Events lists the requirement of compliance to all pre-event requirements established in other policies administered by various offices on campus. One of these includes Insurance and Risk Management, which involves insurance and/or security costs payable by the group holding an event. In line with the document’s very appropriate emphasis on viewpoint neutrality, committee members were concerned whether these costs might differentially hinder more controversial groups from expressing their viewpoints.

The proposed policy prohibits any person appearing “Nude in any place open to the public or any place visible from a place open to the public [except for dressing rooms women breast-feeding children or] approved visual or performing arts productions or activities, academic programs or classes scheduled and sponsored by University Units, as determined and formally approved by the appropriate Designated University Official.”

For the same reason that a lecturer has an academic freedom right to choose to use potentially offensive material in class as long as it is relevant to the course, he or she has a right to present nudity in class as long when relevant. That is an academic decision that should not require administration approval. Also, the proposed nudity ban has special rules for women. While the law currently permits this, it is contested and it seems odd that UCLA should be taking this position, especially in combination with the document’s broad definition of “Nude”.

The proposed rule has questionable consequences for DEI. The University of California’s Gender Recognition and Lived Name Policy states (p.7) that the forms provided to an individual entering the system must allow them to choose among at least these three gender options: woman, man, or non-binary. The University of California system must afterwards use their choice “in all settings and situations.” However, the proposed rule bases UCLA’s action on whether the person is “female” or not. The rule should either be modified to apply uniformly to all genders or omitted.

The document also limits the distribution of non-commercial literature (e.g., political) to three areas, Bruinwalk, Meyerhoff Park and the south half of Dickson Court. Given the importance of free speech and discussion there is no justification for limiting the distribution of literature in this
way. Many students never visit these areas. The current practice in fact - distribution on outside walkways in general as well as in kiosks - does not obstruct teaching or any other University function. Any limitation on the exchange of ideas should be based on significant, demonstrable, negative consequences; the action itself should not be banned.

The Committee also supports the points made by the Committee on Diversity, Equity, and Inclusion (CODEI) in regard to current guidelines limiting academic freedom on campus.

We appreciate the opportunity to review and comment on this policy. If you have any questions, please do not hesitate to contact me at barry.oneill@polisci.ucla.edu or committee analyst Lilia Valdez at lvaldez@senate.ucla.edu.

Re: Academic Senate Review - Proposed UCLA Time, Place, and Manner Policies

At its meeting on January 24, 2024, the Committee on Rules and Jurisdiction (CR&J) discussed the proposed UCLA Time, Place, and Manner policies. Members recognized the intent to protect the freedom of expression and academic freedom of those working and learning on campus.

Members supported the Faculty Welfare Committee’s (FWC) concerns, specifically that there must be no suppression of speech; enforcement will be arbitrary or discriminatory; lack of financial transparency; and allocation of areas of public expression. Members also supported FWC’s request that faculty offices and adjacent corridors also be explicitly included as restricted-use University Property spaces that are not appropriate for demonstrations.

While faculty members, students, and staff are inherently protected from, and prohibited from engaging in, discrimination by various systemwide and campuswide policies, as well as State and Federal laws, members were concerned about the lack of explicit protections for, and prohibitions relating to, non-affiliates on University property. Without equal protections and prohibitions, there is concern about the potential for arbitrary and unequal enforcement at public expression activities and events. In addition, some members expressed concern that if there were separate standards for University affiliates and non-affiliates, non-affiliates could be used as a loophole to voice discriminatory opinions that are prohibited for University affiliates. Some members felt that prohibition of discrimination against groups specifically protected by Federal statute and Regental policy needed to be emphasized.

Members found the proposed policies were sometimes unclear when they intersected with existing policies. For example:

- General Use of University Property IV.A. How is “intimidation” defined? If an assertive teaching style is alleged as “intimidating,” how do these policies intersect with the Student and Faculty Codes of Conduct and disciplinary procedures?
- General Use of University Property IV.A.11. prohibits the “use, sell, advertise, promote or distribute marijuana or tobacco on University Property.” How does this impact approved marijuana and hemp research?
- General Use of University Property V. Administrative Exclusion from University Property has some incomplete consideration of APM-016’s University Policy on Faculty Conduct and the Administration of Discipline.

Members also had practical questions on the implementation of some of the proposed prohibitions. For example:
• General Use of University Property IV.C.3.a. The policy explicitly proscribes one activity already prohibited by FERPA. If these policies intend to be redundant with existing policies, rules or laws, it should be comprehensive in its examples.

• General Use of University Property IV.C.3.b. Is the transportation of research posters on campus proposed to be prohibited without advanced approval?

• General Use of University Property, IV.C.8. Requesting activities to “not to exceed the 75 decibels” is an unreasonable limitation. According to the CDC, 75 decibels is just above the average sound level of a washing machine or dishwasher.

Re: Academic Senate Review - Proposed UCLA Time, Place, and Manner Policies

At its meeting on January 16, 2024, the Committee on Diversity, Equity, and Inclusion (CODEI) discussed the proposed UCLA Time, Place, and Manner Policies.

On its face, the committee did not support this policy as written, and agreed that further rational as to why it exists and how it will be implemented would help them to better understand its purpose. Members found that the proposed policies are quite vague, which could cause for further uncertainty in their application. Further, the committee discussed at great length the ways in which the policy is overly restrictive.

The committee found great concern with the proposed “Map of Areas for Public Expression.” In the current proposal, only two areas on campus have been permitted for public expression. Committee members highlighted that there is no way for students to get from one approved location to the other. Members agreed that areas heavily transited should remain open, and the policy should allow for movement between the marked areas.

Further, members requested additional clarity on the difference between what the policy considers a “gathering”. Similarly, clear guidelines on how a group in motion would be classified should be added. Since a great deal of public expression occurs through the action of a walk or march, this should be clearly addressed.

We appreciate the opportunity to opine. If you have any questions, please do not hesitate to contact me (thall@mednet.ucla.edu) or Academic Senate Policy Analyst, Lilia Valdez (lvaldez@senate.ucla.edu).

Re: Academic Senate Review- Proposed UCLA Time, Place, and Manner Policies

Dear Chair Kasko,

At its meeting on January 9, 2024, The Faculty Welfare Committee (FWC) discussed the Proposed UCLA Time, Place and Manner Policies. Members offered the following comments and recommendations.

The FWC recognizes that, while we abide by the First Amendment as a public institution, there is also a need for Time, Place, and Manner restrictions to permit UCLA to safely manage crowd events such as strikes, rallies, and protests. The FWC balanced our discussion by considering the effect of the proposed policies on speech we adamantly agreed with versus speech we equally adamantly disagreed with.

Members were generally supportive of the idea that UCLA needs to restrict access to specific campus spaces to protesters for safety/privacy concerns and to permit the university to continue functioning. The FWC also noted that protestors have inappropriately targeted specific faculty in the recent past. Thus, we request that faculty offices and adjacent corridors also be explicitly included as restricted-use University Property spaces not appropriate for demonstrations.

However, we also had the following significant concerns to the policies in their current form:

1. **There must be no suppression of speech.** Members were very wary about the potential unintended consequences of so many explicit rules and the possibility that they could interfere with standard academic practices and/or be exclusionary. Critical functions of a university include a) the free exchange of ideas and b) the ability to question systems of power. These rules must not prevent members of the university from exploring and criticizing diverse ideas. Members were particularly concerned that the need to get pre-approval for events would penalize spontaneous expressions of dissent.

2. **Enforcement will be arbitrary or discriminatory.** These proposed policies must be enforced in an even-handed manner, regardless of the nature of speech being regulated. There needs to be further clarification about enforcement policies and the type of security present at different events. Some specific concerns included: a) Who will have discretion over the enforcement policies? b) How will the University regulate wearing a disguise (strictly prohibited uses/conduct #19)? By forcibly removing them from protestors? c) Why is nudity defined differently for men vs women (#14)? Surely, this policy is in conflict with Title IX?

3. **Lack of financial transparency.** The University is proposing to cap the amount it will spend on security; permits will not be granted once the allocated budget is exhausted. While members understand that the university cannot put unlimited resources into policing strikes, rallies, protests, etc., there was concern that this stipulation would be used as a back-door way of limiting dissent. How will the
campus track spending? How does the allocated funds compare to recent spending? How does the campus plan to inform members if the budget is exhausted?

4. **Allocation of areas of public expression.** Members requested an explanation for how the “areas of public expression” (Attachment A) were determined.

Thank you for the opportunity to opine. If you have questions, please do not hesitate to contact me at butlersj@ucla.edu or via the Committee analyst, Renee Rouzan-Kay, at rrouzankay@senate.ucla.edu.

I. PURPOSE & SCOPE

This Policy and related policies and procedures ("Use Policies") implement various provisions of the University of California Policies Applying to Campus Activities, Organizations, and Students ("University Policies") issued by the President of the University of California. These Use Policies govern the use of University Property.

This Policy and the following Use Policies authorize certain uses of University Property and establish procedures for such uses:

1. UCLA Policy XXX: Public Expression Activities
2. UCLA Procedure 850.1: Placement of Temporary Structures on the UCLA Campus
3. UCLA Policy XXX: Organized Events
4. UCLA Policy 862: Major Events

In addition to this Policy and related Use Policies, Non-Affiliates must comply with The Regents of the University of California’s Regulations Governing Conduct of Non-Affiliates in the Buildings and on the Grounds of the University of California ("Regulations"), see Section VII. References. For sections in the Regulations that require prior approval by a Designated University Official that is not designated in this Policy, contact the Events Office.

Individuals on University Property or in attendance at an Official University Function or Organized Event, assume an obligation to conduct themselves in a manner compatible with the University’s responsibilities as an educational institution. This means that all persons are responsible for complying with applicable University and UCLA policies. The Use Policies are designed to protect and promote the rights of members of the University, prevent interference with UCLA functions or activities, and assure compliance with all pertinent laws and other applicable University Policies.
II. DEFINITIONS
For purposes of this Policy:
See Attachment A.

III. POLICY STATEMENT
The University derives its basic authority from the State of California Constitution, Article I, Section 9. All pertinent federal, State, and local laws and University and campus policies are in force on University Property and may be enforced by authorized campus officials or off-campus agencies.

All persons on University Property must conduct themselves in a manner conducive to the achievement of UCLA’s mission of teaching, research, and public service and in accordance with this Policy, related Use Policies and any other relevant University and UCLA policies. Violation of University or UCLA policies may subject a person to legal penalties; if the person is a Student or Employee of the University, that person may also be subject to discipline in accordance with University and UCLA policies.

IV. GENERAL USE OF UNIVERSITY PROPERTY
Certain uses of and conduct on University Property are strictly prohibited while other proposed uses require prior written approval before they can proceed.

A. Strictly Prohibited Uses/Conduct
No person on University Property may do any of the following:
1. block entrances to or otherwise interfere with the free flow of campus traffic (pedestrian or vehicular) into and out of campus facilities, or along walkways or roadways;
2. knowingly and willfully interfere with the peaceful conduct of activities of the campus or any campus facility by intimidating, harassing, or obstructing any University Employee, Student, or any other person having lawful business with the University;
3. delay or linger without lawful purpose for being on the property and for the purpose of committing a crime or violation of these policies as opportunity may be discovered;
4. engage in the production of amplified or non-amplified sound that substantially disrupts campus activities as provided in section IV.C.8 of this Policy;
5. camp or lodge, except in authorized facilities or locations;
6. engage in physically abusive, threatening, or intimidating conduct toward any person;
7. exhibit disorderly or lewd conduct;
8. urinate or defecate in any place on University Property other than a designated restroom or other facility designated for the sanitary disposal of human waste;
9. participate in a disturbance of the peace or unlawful assembly;
10. use, possess, sell, or manufacture narcotics or illegal drugs;
11. use, sell, advertise, promote or distribute marijuana or tobacco on University Property (see UCLA Policy 810);
12. use or possess any prohibited weapons or incendiary or destructive devices (see UCLA Policy 131);
13. provide alcohol to anyone under the age of 21;
14. appear Nude in any place open to the public or any place visible from a place open to the public (except for specifically designated dressing rooms, changing rooms and restrooms). This prohibition does not apply to babies or young children or to any woman exposing her breast to breast-feed a child or to individuals or groups participating in an approved visual or performing arts productions or activities, academic programs or classes scheduled and sponsored by University Units, as determined and formally approved by the appropriate Designated University Official. Whenever practicable,
members of the public should be appropriately informed that nudity may be included in a performance;

15. bring animals on campus contrary to UCLA Policy 135;

16. fail to comply with the directions of a Designated University Official acting in the performance of their duties;

17. rummage through or remove any discarded item from any waste can, trash can, dumpster, recycling container, or any designated University waste or recycling center without authorization from Facilities Management;

18. engage in the theft or misuse of University Property or equipment;

The hearing will afford adequate opportunity for the excluded individual to confront the evidence and provide a response, consistent with minimum due process requirements. The decision of the hearing officer will be final with respect to the validity of the exclusion.

If the individual requests an opportunity to present information, the individual must submit that information within ten (10) business days. The exclusion directive remains in effect during this time.

The purpose of the opportunity to respond is to afford adequate opportunity for the excluded individual to address the evidence that provides the basis for the directive and
respond, consistent with minimum due process requirements. The Administrative Vice Chancellor or other official designated by the Chancellor will issue a final decision within five (5) business days of receipt of the response. The decision will be final with respect to the validity of the exclusion.

c. **Length of Exclusion Directive:** The exclusion directive will be issued for the amount of time appropriate to minimize the impact of the disruptive conduct. An exclusion directive will be issued for an initial period of no longer than 12 months. I. PURPOSE & SCOPE

UCLA is committed to First Amendment rights as a fundamental feature of our democracy and a crucial dimension of UCLA’s institutional and academic culture. In order to carry on its work of teaching, research, and public service, the University has an obligation to maintain conditions under which the work of the University can go forward freely, in accordance with the highest standards of quality, institutional integrity, and freedom of expression, with full recognition by all concerned of the rights and privileges, as well as the responsibilities of those who comprise the University. The time, place, and manner of exercising the constitutionally protected First Amendment rights are subject to these campus regulations and related Use Policies, which have been formulated to provide reasonable access for open association, discussion, and debate while at the same time providing for the safe and orderly operation of the campus.

In addition to this Policy and related Use Policies, as outlined in UCLA Policy XXX, General Use of University Property, Non-Affiliates must comply with The Regents of the University of California’s Regulations Governing Conduct of Non-Affiliates in the Buildings and on the Grounds of the University of California (“Regulations”), see Section V. References. For sections in the Regulations that require prior approval by a Designated University Official that are not designated in this Policy, contact the Office of Administrative Vice Chancellor or Events Office.

II. DEFINITIONS

For the purposes of this Policy:
See Policy XXX: General Use of University Property Attachment A

III. POLICY STATEMENT

UCLA has designated certain areas of the campus for Public Expression Activities. UCLA may impose reasonable and content-neutral time, place, and manner regulations on the exercise of Public Expression in order to preserve the safe and orderly operation of the campus. Public Expression Activities may be directed to cease subject to the review and approval by the Chancellor or a Designated University Official based on the Safety and Security Criteria and/or the Interference Criteria that will be evaluated in a content-neutral manner.
Public Expression Activities are permitted in the Areas for Public Expression. Such activities are not permitted in classrooms, laboratories, libraries and other academic spaces, which are dedicated to speech for teaching, learning, and research and thus, governed by the norms of academic freedom as outlined in the University’s Academic Personnel Manual, APM-010, which recognizes in teaching settings the faculty’s authority to control all aspects of a course, including the relevance of alternative points of view, and by other regulations designed to ensure that the space is used for its intended purpose. Classrooms may be reserved for Official University Functions and/or Organized Events, see Policy XXX: Organized Events.

The Constitutional right to free speech and assembly does not protect the right to engage in Civil Disobedience, which by its very definition involves violations of law or regulations. Civil Disobedience may interfere with University business or threaten public safety or University assets in ways that require the University to act to protect these other interests.

IV. REGULATIONS GOVERNING PUBLIC EXPRESSION ACTIVITIES

A. Areas for Public Expression

UCLA has designated Areas for Public Expression on campus that may be used regardless of affiliation with UCLA and without prior scheduling on a first-come basis provided that there are no scheduled Organized Events. The University will ensure that at least one of the Areas for Public Expression will be available at all times.

Public Expression Activities are not permitted at any time on the grounds of the University Residence, including the lawn area of the Ralph Cornell Grove.

1. Place: The Areas for Public Expression are outlined below and in Attachment A, Map of Areas for Public Expression.

   - Lawns and walkways between Meyerhoff Park, Student Activities Center, Janss Steps, and east side of Powell Library
   - Dickson Court South

2. Time: The Areas for Public Expression are open between the hours of 6:00am and 12:00 midnight. Between the hours of 12:00 midnight and 6:00am these areas and all other areas of campus are generally closed to all activities expect the coming and going to a University building or crossing the campus.

3. Manner: Individuals and groups may not impede or disrupt foot and vehicular traffic. Obstructing, disrupting, or otherwise interfering with the instructional, research, or administrative operations of the University, or any other person having lawful business with the University is not permissible. Reasonable access to and exit from classrooms, laboratories, offices and buildings must be provided at all times.

   Activities such as posting, displaying, carrying, and/or distributing posters, signs, banners, flags, or other similar displays, literature and tables, or other portable displays must be in accordance with UCLA Policy XXX, General Use of University Property and section IV.4 of this Policy.

   Amplified sound, except for Dickson Court South, is permitted between 12pm-1pm without prior approval and only in accordance with UCLA Policy XXX: General Use of University Property. See UCLA Policy XXX General Use of University Property, Amplified Sound Section for approval information.

4. Additional Regulations for East Bruin Walk: In accord with UCLA Policy XXX, General Use of University Property, the following additional regulations below apply:
a. **Posters, Signs, and other Similar Displays**

Posters, signs, and other similar free-standing displays, including sign boards, may not be larger than 3 feet wide by 2.5 feet high and must be attended at all times. For portable signs, see General Use Policy xxx.

Any other types of display, or those larger than noted here, must be approved by the Director of SOLE or their designee or Events Office. Approval will be given or denied only on a content-neutral basis.

When made aware of violations of the provision above, a University Designated Official may remove posters, signs, or other similar displays on University Property.

b. **Tables on East Bruin Walk**

The existing tables on East Bruin Walk can be utilized on a first-come basis except when a Designated University Official reserves a few tables for the purpose of maintaining access for Registered Campus Organizations. Due to the limited space available on East Bruin Walk, table usage will be limited to one table per organization.

When using a table on East Bruin Walk, the display area is limited to the table and the area immediately behind it. Displays on East Bruin Walk must be staffed at all times. The name of the sponsoring organization must be visible at the table.

**B. Demonstration Activities outside the Areas for Public Expression**

Demonstrations are not permitted inside buildings. Prior approval from the Events Office for demonstration activities that are unrelated to an Organized/Major Event and that are outside the Areas for Public Expression is required. On rare occasions when prior approval cannot be obtained prior to the demonstration activity, Designated University Officials based on the Safety and Security Criteria and/or the Interference Criteria may designate a location/area that is proximate to the desired location.

For demonstration activities associated with an Organized Event, see UCLA Policy XXX: Organized Events.

Regardless of where the demonstration activity is located, individuals and groups must follow all campus regulations and related Use Policies and may not impede or disrupt foot and/or vehicular traffic. Obstructing, disrupting, or otherwise interfering with the instructional, research, or administrative operations of the University, or any other person having lawful business with the University is not permissible. Reasonable access to and exit from classrooms, laboratories, offices and buildings must be provided at all times.

I. PURPOSE AND SCOPE

University Property is operated to meet the University’s teaching, research, and public service mission. In conjunction with related University of California (“University”) and campus Use Policies, as outlined in UCLA Policy XXX: General Use of University Property, this Policy sets forth the conditions under which University and Non-Affiliate individuals and groups may utilize University Property for Organized Events.

In addition to this Policy and related Use Policies, Non-Affiliates must comply with The Regents of the University of California’s Regulations Governing Conduct of Non-Affiliates in the Buildings and Grounds of the University of California (“Regulations”), see Section V. References.

II. DEFINITIONS

For the purposes of this Policy:
See Policy XXX: General Use of University Property, Attachment A

III. POLICY STATEMENT

Organized Events on University Property must comply with the provisions of this Policy and related Use Policies. In addition, visiting dignitaries as outlined in UCLA Policy 106 must comply with Policy 106 and UCLA Procedure 860.2. Events that constitute a Major Event must also be organized in compliance with UCLA 862: Major Events. Event Organizers that repeatedly violate and/or significantly violate any University or campus policies or laws, may have their rights and privileges of scheduling events on University Property revoked.

Organized Events must comply with UCLA’s obligations under applicable federal and state law and policy to provide accessibility pursuant to the Americans with Disabilities Act and the Equal Education Opportunities Act, Title VI of the Civil Rights Act.

The University derives its authority from the State of California Constitution, Article I, Section 9. All pertinent federal, state, and local laws, and University and campus policies are in force on University Property and may be enforced by authorized campus or off-campus agencies.

All persons on University Property are required to abide by University policies and campus policies. Violation of University policies or campus policies may subject a person to legal penalties; if the person is a Student or Employee, that person may also be subject to University discipline.
A. Campus Venue Scheduling and Policies

In addition to this Policy and related Use Policies, as outlined UCLA Policy XXX, General Use of University Property, an Event Organizer must comply with the specific requirements and scheduling procedures of the Campus Venue Scheduler that may host the Organized Event. The policies and scheduling procedures for each specific Campus Venue Scheduler may vary.

No reservations may be finalized until arrangements have been approved in accordance with this Policy. Permission to use University Property is not to be construed as endorsement by the University.

B. Event Online (EOL) Registration

The Events Online (EOL) Registration is the University’s official event notification and registration system for events on University Property. No Organized Event may occur without EOL Registration.

All requests must be submitted through EOL Registration for appropriate review and approval at a minimum of ten (10) working days prior to the execution or administration of any Organized Event. The Campus Venue Scheduler is responsible for initiating the EOL Registration that will send a registration form to the Event Organizer (see Section IV. Procedures).

Any EOL Registration submitted after the ten (10) working days will be subject to denial and/or cancellation. Exceptions to the minimum of ten (10) working days will be considered by SOLE and/or the Events Office for Registered Campus Organizations and University Unit Event Organizers only in the following circumstances:

- RCO or University Unit Event Organizers are unable to confirm the availability of a speaker/performer or meet the availability of the speaker/performer within the minimum timeframe
- RCO or University Unit Event Organizers request an Organized Event and the nature of the event is time sensitive such that it could not take place prior to the minimum timeframe.

As part of the review process, the EOL Registration notifies via email, applicable campus service providers and administration based on the Event Organizer’s requirements as stated via a checklist on the registration form. The notified campus service providers and/or administration will review the notification(s) and as applicable, make any comments and/or stipulations such as health and safety permits/requirements to the Organized Event that may need to be completed prior to approval.

If aspects of an approved Organized Event change or had not been disclosed by the Event Organizer at the time of approval, UCLA reserves the right to deem the Organized Event as a Major Event, subject to UCLA Policy 862 (to the extent that policy applies) and/or other applicable University or campus policies.

C. Contracted Services

UCLA retains first right of refusal for all contracted services, goods, and/or equipment to facilitate the use of any University Property. All services, goods and/or equipment required for such use must coordinate and execute all such services, goods, and/or equipment with Campus Venue Scheduler policies.

D. Pre-Event Requirements

Event Organizers must comply with all pre-event requirements as established in other policies administered by SOLE, the Events Office, UCLAPD, Risk Services, Registrar’s Office, and the facility manager. A variety of permits and/or waivers may be required, for example, to distribute food or drinks or to film the event.

E. Outdoor Sound Amplification
Except as provided in UCLA Policy XXX Public Expression Activities, all Organized Events utilizing sound amplification systems must obtain specific approval for such amplification in advance from the Events Office for non-Student Organized Events or SOLE for Student Organized Events. All sound amplification systems and sound levels must comply with UCLA Policy XXX General Use of University Property.

F. Costs

All Event Organizers will be charged (1) event production fees, which includes but not limited to, use of the venue and other equipment and service costs in accordance with standard rate tables of the administrative bodies involved and (2) Audience Management Fees. See UCLA Policy 862 for security costs associated with speech related demonstrations or demonstrations related to an event.

Event Organizers requiring special facility arrangements, including, but not limited to equipment, staffing, or security for their event may be charged fees in accordance with standard rate tables of the administrative bodies involved. In such cases, deposits and financial accountability may be required. UCLA has the right to cancel any Organized Event that fails to pay necessary fees. If payment cannot be made for all applicable fees prior to the Organized Event date, payment arrangements must be made in advance with the appropriate Campus Venue Scheduler.

G. Advance Ticketing

Advance ticketing for all Organized Events where tickets will be sold to attendees, must be conducted by utilizing the UCLA Central Ticket Office (CTO). Advance ticketing for all Organized Events, where tickets are complimentary to attendees, must be coordinated through the CTO or an online vendor approved by the CTO. Contact the Venue Scheduler or UCLA Central Ticketing (CTO) at 310-825-2101 or cto@tickets.ucla.edu.

H. Appeal Process for Denial of Use of Property

If an Event Organizer feels that the denial of a property use request violates University or campus policies, the Event Organizer may submit an appeal for final determination.

An Event Organizer may submit an appeal to the appropriate appeals officer, as outlined below, within two (2) business days of the notification of denial or cancellation of property use. The appeals officer will respond to the appeal within three (3) business days following the receipt of the appeal.

- Registered Campus Organization and other student related events, submit appeals to the Vice Chancellor of Student Affairs or designee
- University Units, Support Groups, and Non-Affiliates, submit appeals to the Administrative Vice Chancellor or designee.

A successful appeal does not guarantee the Event Organizer’s venue of choice.

I. Termination of Organized Event

If during an Organized Event an imminent threat to safety or property arises, avoidance or minimization of which requires termination of the event, authority to terminate the event rests with a Senior Administrator that is present and available. If no such person is present or available, authority is designated to the highest-ranking UCLAPD officer or UCLA Fire Marshall at the event.

J. Demonstration Activities Connected to an Organized Event

During the process of coordinating an Organized Event, the University is made aware of any actual or suspected planned demonstrations that could disrupt the event, the event will be deemed a Major Event and subject to UCLA Policy 862, Major Events.

If during the Organized Event, demonstration activities occur, a Designated University Official may, based on the Safety and Security Criteria and/or the Interference Criteria, designate a location/area that is proximate to the Organized Event.
For demonstration activities not connected to an Organized Event, see Policy XXX Public Expression Activities.

**K. Reporting Obligations of Event Organizers and Senior Administrators**

Prior to any Organized Event, any Event Organizer or Senior Administrator affiliated with an Organized Event and/or who becomes aware of a possible demonstration likely to occur at the Organized Event must promptly alert the Administrative Vice Chancellor (“AVC”) at adminvc@ucla.edu or UCPD at 310-825-1491.

Such notice is critical as it enables the AVC to proactively coordinate and communicate with potential demonstrators in advance of an event. In doing so, UCLA becomes better positioned to promote the free speech rights and physical safety of all parties- including the invited speaker and any demonstrators or counter-demonstrators.

This reporting obligation arises out of recommendations that follow the Robinson-Edley Report on Response to Protests on UC Campuses.

**IV. PROCEDURES**

Scheduling of Organized Events is subject to availability on a first-come first-serve basis, and in the event when there is more than one event request, priority for the use of University Property will be given first to academic and administrative departments and second to Registered Campus Organizations of UCLA. All proposed Organized Events will be reviewed and approved in a viewpoint-neutral manner, provided however that Organized Events in Areas for Public Expression will be approved both in a viewpoint and content-neutral manner.

All Event Organizers must follow the procedures below to request and host an Organized Event that does not constitute as a Major Event, see UCLA Policy 862 to request a Major Event.

1. **University Units Requesting an Organized Event**

The following steps are for University Units to request an Organized Event:

   a. Event Organizer will undertake best efforts to contact Campus Venue Scheduler at a minimum of fifteen (15) working days to reserve location. Reserving a campus venue does not guarantee or automatically approve the location or Organized Event. The requested Organized Event and location is subject to review and approval as outlined below.

   b. If tickets are to be sold, contact the Central Ticket Office (CTO) at least fifteen (15) working days prior to the Organized Event.

   c. The Campus Venue Scheduler will determine whether the event may trigger the Major Events Policy. In determining whether the event is a Major Event, the Campus Venue Scheduler will consider the Interference Criteria. If considered a Major Event, the Campus Venue Scheduler will contact the Events Office.

      - If the Organized Event is deemed a Major Event, the Event Organizer must follow the requirements as outlined in UCLA Policy 862 and notify the Events Office.

      - If the Organized Event is not a Major Event, the Event Organizer will continue to follow the procedures in this Policy.

   d. The Event Organizer is required to advise the Campus Venue Scheduler and the Event’s Office of information concerning any known or suspected planned demonstration or other potentially disruptive activity that might occur during the event.

   e. Fill out and submit EOL Registration form that will be sent by the Campus Venue Scheduler, who initiates the EOL Registration.

   f. Notifications will be sent to applicable campus providers and/or administration that will review, comment and/or add stipulations to be completed prior to approval.
g. The EOL Registration will send the request to the department head or designee of the University Unit requesting the Organized Event for final approval.
   Note: By approving the Organized Event the department head has accepted the responsibility of University Guarantor for the Organized Event.

h. The EOL Registration will send the University Unit (Event Organizer) notification of approval.

2. Registered Campus Organizations (RCO) Requesting an Organized Event

RCO weekly meetings are generally not an Organized or Major Event, see Policy XXX Registered Campus Organizations. However, if the presence of a third-party speaker or guest is reasonably likely to result in a demonstration or substantial disruption to campus activities, this may trigger a Major Event subject to Policy 862. For questions and guidance, contact the RCO SOLE Advisor.

The following steps are for RCOs to request an Organized Event:

a. Prior to making any arrangements or reservations, contact your SOLE advisor first, to discuss and obtain initial consent about the scope of the event, including but not limited to: the nature of the program; number of anticipated guests; any external participants; desired location; and funding sources. The Event Organizer is required to advise the SOLE Advisor of information concerning any known or suspected planned demonstration or other potentially disruptive activity that might occur during the event.

b. The SOLE advisor and/or Campus Venue Scheduler will determine whether or not the Organized Event will trigger the Major Events Policy. In determining whether the event is a Major Event, the SOLE advisor and/or Campus Venue Scheduler will consider the Interference Criteria. If considered a Major Event, the SOLE Advisor and/or Campus Venue Scheduler will contact the Events Office.
   - If the Organized Event is deemed a Major Event, the Authorized Representative of the RCO must follow the requirements as outlined in UCLA Policy 862.
   - If the Organized Event is not a Major Event, the Authorized Representative of the RCO will continue to follow the procedures in this Policy.

c. If tickets are to be sold, contact the Central Ticket Office (CTO) at least fifteen (15) working days prior to the Organized Event, preferably twenty (20) working days.

d. Contact Campus Venue Scheduler at a minimum of ten (10) working days to reserve location. Reserving a campus venue does not guarantee or automatically approve the location or Organized Event. The requested Organized Event and location is subject to review and approval as outlined below.

e. The RCO Authorized Representative will fill out and submit the EOL Registration form that will be sent by the Campus Venue Scheduler, who initiates the EOL Registration.

f. Notifications will be sent to applicable campus providers and/or administration that will review, comment and/or add stipulations to be completed prior to approval.

g. The EOL Registration will send the request to your SOLE advisor for final approval.
   Note: The RCO requesting the Organized Event accepts full responsibility for the Organized Event. The EOL Registration will send the Authorized Representative notification of approval.

3. Organized Event Requests by Non-Affiliates

Non-Affiliates must have a University Guarantor to schedule an Organized Event on University Property. A guaranty may be approved in one of the following ways:
a. Departmental Guaranty

A University Unit or Authorized Student Government, may guaranty an Organized Event proposed by a non-University group (Institution) when the group or event has a direct programmatic relationship to the purposes of the guarantying University Unit. Such a guaranty may be given or refused only on a viewpoint-neutral basis, provided however that a guaranty for an Organized Event in an Area for Public Expression will be given or refused both on a viewpoint and content-neutral basis.

b. Institutional Guaranty

An Organized Event proposed by a non-University group that has no direct programmatic relationship to a University Unit may be guaranteed by the University as an institution. Such communication will be submitted to the Events Office and subject to review by the Administrative Vice Chancellor, which will make a recommendation to the Chancellor or designee, who may grant an Institutional Guaranty. Such a guaranty may be given or refused only on a viewpoint-neutral basis, provided however that a guaranty for an Organized Event in an Area for Public Expression will be given or refused both on a viewpoint and content-neutral basis.

c. Off-Campus Event Guaranty

Organized Events for which there will be a general appeal to an off-campus audience, including events involving off-campus publicity, promotion, ticketing, or media coverage or which are organized, produced, or funded by an off-campus entity, must have an Institutional Guaranty as defined above, or may be authorized only by one of the following University Units, who will act as the University Guarantor:

- UCLA Events Office
- UCLA Live/Art of Performance
- UCLA Performing Arts
- UCLA Housing and Hospitality Services
- UCLA Department of Intercollegiate Athletics
- UCLA Student Affairs
- UCLA Extension (UNEX)
- UCLA External Affairs
- ASUCLA Services & Enterprises
- UCLA School of the Arts & Architecture
- UCLA School of Theater, Film & Television
- UCLA Herb Alpert School of Music
- UCLA Anderson School of Management
- UCLA Luskin School of Public Affairs
- UCLA Luskin Conference Center
- UCLA College of Letters and Science

Any such guaranty may be given or refused only on a viewpoint-neutral basis, provided however that a guaranty for an Organized Event in an Area for Public Expression will be given or refused both on a viewpoint and content-neutral basis.
Once the University Guarantor has been established, the following steps are for Non-Affiliates to request an Organized Event:

1. If tickets are to be sold, contact the Central Ticket Office (CTO) at least fifteen (15) working days prior to the Organized Event, preferably twenty (20) working days.

2. Contact Campus Venue Scheduler at a minimum of ten (10) working days to reserve location. Reserving a campus venue does not guarantee or automatically approve the location or Organized Event. The requested Organized Event and location is subject to review and approval as outlined below.

3. The Campus Venue Scheduler will confirm the University Guarantor and determine whether or not the event may trigger the Major Events Policy. In determining whether the event is a Major Event, the Campus Venue Scheduler will consider the Interference Criteria. If considered a Major Event, the Campus Venue Scheduler will contact the Events Office.
   - If the Organized Event is deemed a Major Event, the Event Organizer must follow the requirements as outlined in UCLA Policy 862 and notify the Events Office.
   - If the Organized Event is not a Major Event, the Event Organizer will continue to follow the procedures in this Policy.

4. The Event Organizer is required to advise the Campus Venue Scheduler of information and the Events Office concerning any known or suspected planned demonstration or other potentially disruptive activity that might occur during the event.

5. The University Guarantor will fill out and submit the EOL Registration form sent by the Campus Venue Scheduler, who initiates the EOL Registration.

I. PURPOSE & SCOPE

Freedom of speech that allows for the open exchange of ideas is a core value at UCLA. UCLA is committed to supporting the UCLA community to host events on campus that supplement and support our mission of teaching, research, and public service. Toward that end, UCLA makes certain facilities and outdoor areas available to the UCLA community for events with written permission, when all terms and conditions are met.

This Policy operates in conjunction with related University of California (“University”) and campus Use Policies, as outlined in UCLA Policy XXX: General Use of University Property. In addition to this Policy and related Use Policies, Non-Affiliates must comply with The Regents of the University of California’s Regulations Governing Conduct of Non-Affiliates in the Buildings and Grounds of the University of California (“Regulations”), see Section V. References.

This Policy sets forth the conditions under which University and Non-Affiliate individuals and groups may utilize University Property for Major Events. This Policy does not apply to residential or day camps organized on the UCLA campus with the permission of a University Unit where the majority of attendees are 18 years old or younger.

II. DEFINITIONS

For the purposes of this Policy:
See Policy XXX, General Use of University Property, Attachment A

III. POLICY STATEMENT

Major Events on University Property must comply with the provisions of this Policy and related Use Policies. In addition, visiting dignitaries as outlined in UCLA Policy 106 must comply with Policy 106, UCLA Procedure 860.2 and related Use Policies, that may include this Policy. Organized Events that do not constitute a Major Event will be required to follow UCLA Policy XXX, Organized Events. Event Organizers that repeatedly violate and/or significantly violate any University or campus policies or laws, may have their rights and privileges of scheduling events on University Property revoked.

Major Events must comply with UCLA’s obligations under applicable federal and state law and policy to provide accessibility pursuant to the Americans with Disabilities Act and the Equal Education Opportunities Act, Title VI of the Civil Rights Act.
The University derives its basic authority from the State of California Constitution, Article I, Section 9. All pertinent federal, state, and local laws, and University and campus policies are in force on University Property and may be enforced by authorized campus or off-campus agencies.

All persons on University Property are required to comply with University policies and campus policies. Violation of University policies or campus policies may subject a person to legal penalties; if the person is a Student or Employee, that person may also be subject to University discipline.

Any determination by the Chancellor or the Chancellor’s designee(s) (see Attachment B) that an event constitutes a Major Event will be based on their assessment of the Safety and Security Criteria or Interference Criteria as defined in UCLA Policy XXX General Use of University Property, Attachment A: Definitions.

A. Campus Venue Scheduling and Policies

See UCLA Policy XXX, Organized Events

B. Event Online (EOL) Registration

The Events Online (EOL) Registration is the University’s official event notification and registration system for events on University Property. A confirmed EOL Registration is only part of the approval process for Major Events and no Major Event may occur without both (1) an EOL Registration and (2) written approval from one of the Chancellor’s designees (see Attachment B).

All property use requests must be submitted through EOL Registration for appropriate review at a minimum of fifteen (15) working days, preferably twenty (20) working days prior to the execution or administration of any Major Event. The Campus Venue Scheduler is responsible for initiating the EOL Registration that will send a registration form to the Event Organizer (see Section IV. Procedures).

Any EOL Registration submitted after fifteen (15) working days will be subject to denial and/or cancellation. Exceptions to the minimum of fifteen (15) working days will be considered by SOLE and/or the Events Office only in the following circumstances:

- **For all Event Organizers**: if a good faith request for an Organized Event that has already identified all aspects of the event including speaker/performer and was deemed a Major Event by the Chancellor or Chancellor designee(s) (see Attachment B) that would place the event date after the fifteen (15) day minimum.
- **For RCO and University Unit Event Organizers only**: if you are unable to confirm the availability of a speaker/performer or meet the availability of the speaker/performer within the minimum timeframe
- **For RCO and University Unit Event Organizers only**: for a request of a Major Event and the nature of the event is time sensitive and did not occur prior to the minimum timeframe.

As part of the review process, the EOL Registration notifies via email, applicable campus service providers and administration based on the Event Organizer’s requirements as stated via a checklist on the registration form. The notified campus service providers and/or administration will review the notification(s) and as applicable, make any comments and/or stipulations, such as health and safety permits/requirements to the Major Event that may need to be completed prior to final approval by one of the Chancellor’s designees (see Attachment B).

C. Contracted Services

See UCLA Policy XXX, Organized Events

D. Pre-Event Requirements

Event Organizers must comply with all pre-event requirements as established in other policies administered by SOLE, the Events Office, UCLAPD, Insurance and Risk Management, Registrar’s
Office, and the facility manager. A variety of permits and/or waivers may be required, for example, to distribute food or drinks or to film the event. The SOLE and/or the Events Office is responsible for determining whether an Event Organizer has complied with all relevant policies and obtained the necessary permits and/or waivers.

**E. Outdoor Sound Amplification**

See UCLA Policy XXX, Organized Events

**F. Costs**

All Event Organizers will be charged (1) event production fees, which include but not limited to, use of the venue and other equipment and service costs in accordance with standard rate tables of the administrative bodies involved and (2) Audience Management Fees.

Event Organizers requiring special facility arrangements, including, but not limited to equipment, staffing, or security for their event may be charged fees in accordance with standard rate tables of the administrative bodies involved. In such cases, deposits and financial accountability may be required. UCLA has the right to cancel any Major Event that fails to pay necessary fees. If payment cannot be made for all applicable fees prior to the Major Event date, payment arrangements must be made in advance with the appropriate Campus Venue Scheduler.

All Event Organizers will **not** be charged for any security costs incurred to respond to speech related demonstrations or demonstrations in connection with their Major Event or for any anticipated additional security required by UCLA based on the Safety and Security Criteria or Interference Criteria.

In order to properly balance UCLA’s interest in making its venues available with the need for fiscal responsibility and other important educational and public service priorities of the University, UCLA will not spend more than $1,000,000 per academic year on security costs incurred to respond to speech related demonstration or demonstrations in connection with a Major Event hosted by an RCO and University Unit. UCLA will not spend more than $250,000 per academic year on security costs incurred to respond to speech related demonstration or demonstrations in connection with a Major Event hosted by a Non-Affiliate. Once the caps have been reached, no new Major Event will be scheduled for the remainder of the academic year, except that any Major Event that is already scheduled and approved pursuant to this Policy will be permitted to proceed and UCLA will pay for security costs attributable to potential disturbances or demonstrations in connection with such event notwithstanding the cap.

**G. Security/Interference Assessment**

UCLAPD and the Operational Assessment Team (OAT) will conduct a security/interference assessment based on information provided on the Major Event security assessment form and other information UCLAPD/OAT may obtain.

UCLAPD will assess security needs using the Safety and Security Criteria based on objective and credible evidence of specific risks and the OAT will assess the Interference Criteria.

UCLAPD/OAT will make security/interference determinations that, in UCLAPD’s/OAT’s professional judgment, will address security threats and potential interference identified as a result of the evaluation. The goals of UCLAPD’s/OAT’s security/interference determinations will be to:

1. Minimize risks to the health and safety of the event participants and audience;
2. Minimize risks of interference to the campus and surrounding community;
3. Support the ability of the Event Organizers to successfully hold the event; and
4. Respect the exercise of rights of free expression by the Event Organizer, participants, and the community, including lawful demonstrators.
Required security measures and measures to minimize interference may include adjusting the venue, date, and/or time of the event; providing additional law enforcement; imposing controls or security checkpoints; requiring increased ticketing measures as described below; and creating buffer zones around the venue.

**H. Advance Ticketing**

Advance ticketing is required for all Major Events. Advance ticketing for all Major Events, where tickets will be sold to attendees must be conducted by utilizing the UCLA Central Ticket Office (CTO). Advance ticketing for events where tickets are complimentary to attendees must be coordinated through the CTO or an online vendor approved by the CTO.

An official college-, university- or state-issued identification is required for ticket pickup at the event. The number of tickets held, reserved, sold, and/or issued cannot exceed the venue capacity. No standby line will be allowed unless advance approval provided by UCLA Fire Department and with limited standby tickets offered. For Major Events where UCLAPD has determined as part of the security assessment, as outlined in this Policy, that the event has substantial security needs, all event tickets issued must be generated by the CTO or its designee and have a unique identifier that can be electronically validated to ensure authenticity of the ticket. For more information about the ticketing process, contact CTO at 310-825-2101 or cto@tickets.ucla.edu.

**I. Appeal Process**

An Event Organizer may appeal a University decision related to the Major Events Policy if they feel the following occurred:

1. A denial of use of property violates University or campus policies
2. A University required security measure is abuse of discretion
3. A University restriction imposed is not view-point neutral

The Event Organizer may submit an appeal for final determination to the appropriate appeals officer as outlined below, within two (2) business days of notification of item 1 above and/or receipt of the security assessment for items 2 & 3 above. The appeals officer will respond to the appeal within (3) business days following receipt of the appeal.

- Registered Campus Organization and other student related events, submit appeals to the Chief Compliance and Audit Officer or designee.
- University Units, Support Groups, and Non-Affiliates, submit appeals to the Chief Compliance and Audit Officer or designee.

A successful appeal does not guarantee the Event Organizer’s venue of choice.

**J. Termination of a Major Event**

If during an event an imminent threat to safety or property arises, avoidance or minimization of which requires termination of the event, authority to terminate the event rests with the Senior Administrator that is present and available. If no such person is present or available, authority is designated to the highest-ranking UCLAPD officer or UCLA Fire Marshall at the event.

**K. Demonstration Activities Connected to a Major Event**

In the event the University has actual or suspected knowledge of planned demonstrations that could disrupt a Major Event, a UCLA representative or the Event Organizer will prior to the beginning of the event announce the rules of participation, see Attachment C.
L. Reporting Obligations of Event Organizers and Senior Administrators

Prior to any Major Event, any Event Organizer or Senior Administrator affiliated with a Major Event and/or who becomes aware of a possible demonstration likely to occur at the Major Event must promptly alert the Administrative Vice Chancellor (“AVC”) at adminvc@ucla.edu or UCPD at 310-825-1491.

Such notice as recommended in the Robinson-Edley Report, is critical as it enables the AVC to proactively coordinate and communicate with potential participants in advance of an event. In doing so, UCLA becomes better positioned to promote the free speech rights and physical safety of all parties- including the invited speaker and any demonstrators or counter-demonstrators.

This reporting obligation arises out of recommendations that follow the Robinson-Edley Report on Response to Protests on UC Campuses.

IV. PROCEDURES

Scheduling of Major Events subject to availability on a first-come first-serve basis and in the event there is more than one event request, priority for the use of University Property will be given to academic and administrative departments and second to Registered Campus Organizations of UCLA. All proposed Major Events will be reviewed and approved in a viewpoint-neutral manner, provided however that Major Events in Areas for Public Expression will be approved both in a viewpoint and content-neutral manner.

If UCLAPD, OAT, SOLE, or Events Office determines that, because of new information it has received or changing circumstances, its assessment must be modified, it will schedule additional meetings or communications with Event Organizers and other appropriate stakeholders to discuss its revised recommendations.

All Event Organizers must adhere to the following procedures to host a Major Event (see Attachment A for the flowchart of UCLA’s Approval Process for Major Events):

1. University Units Hosting a Major Event

The following steps are required for University Units to host a Major Event:

a. Contact Campus Venue Scheduler at a minimum of fifteen (15), preferably twenty (20) working days to reserve event location. Reserving a campus venue does not guarantee or automatically approve the location or Major Event. The requested Major Event and location is subject to review and approval as outlined below.

b. The Event Organizer is required to advise the Campus Venue Scheduler and the Events Office of information concerning any known or suspected planned demonstration or other potentially disruptive activity that might occur during the event.

c. Complete and submit the EOL Registration form that will be sent by the Campus Venue Scheduler, who initiates the EOL Registration. Notifications will be sent to applicable campus providers and/or administration that will review, comment, and/or add stipulations to be completed prior to approval.

d. If tickets are to be sold, contact the Central Ticket Office (CTO) at least fifteen (15) days prior to the Major Event date, preferably twenty (20) working days.

e. Complete and submit a Major Event security assessment form at least fifteen (15) working days prior to the Major Event. Contact UCLAPD Special Events at 310-825-6543 or at SpecialEvents@ucpd.ucla.edu to request the Major Event security assessment form.

UCLAPD/OAT will conduct a security/interference assessment as outlined in Section III.G.

- If UCLAPD and/or OAT determines the event has substantial security needs and/or potential interference, the Event Organizer must schedule a Security/Interference
Assessment Meeting with UCLAPD/OAT no later than ten (10) working days prior to the event date. The meeting will include, as necessary, the following: the SOLE Advisor for RCO events or Events Office for non-RCO events, the Campus Venue Scheduler or designee; and one or more representatives from the Event Organizer (including, in the case of an RCO, at least one signatory). The representatives of the Event Organizer serving as first contacts will be made known to UCLAPD/OAT at this time and will be present at meetings and available for consultation throughout the event-planning period. The Event Organizer is required to advise the security assessment team and OAT of information concerning any known or suspected planned demonstrations or other potentially disruptive activity that might occur during the event. UCLAPD/OAT will discuss security and interference concerns and determinations at the Security/Interference Assessment Meeting, and meeting participants will discuss options for addressing security and interference concerns that UCLAPD/OAT have identified.

- The UCLAPD Police Chief or designee may inform others, including but not limited to representatives from local municipal and community entities about the event. UCLA Government and Community Relations may be included in these communications as a liaison to elected officials and/or surrounding community groups. The UCLAPD Police Chief or any member of this group may request additional meetings in advance of the event to discuss concerns.

f. Meet with the Campus Venue Scheduler, in consultation with the Events Office, to review event details at least ten (10) working days, prior to the Major Event. The Campus Venue Scheduler will schedule an event coordination meeting with the University Unit (Event Organizers) to exchange information about the event and discuss logistical expectations. The Events Office may request an additional meeting to ensure that all instructions given (e.g., at the event coordination meeting) have been carried out.

g. At least ten (10) working days prior to the Major Event, designate to UCLA Strategic Communications a representative who is responsible for media relations, so they know with whom to coordinate regarding logistical matters involving media organizations.

h. At least ten (10) working days prior to the Major Event, contact Insurance and Risk Management to discuss insurance assessments.

i. When the steps above have been completed, the EOL Registration will send the request to the department head of the University Unit requesting the Major Event for final confirmation.

- Note: By confirming the Major Event the department head has accepted the responsibility of University Guarantor for the Major Event.

j. Once the department head has confirmed the Major Event, contact the appropriate Chancellor’s designee (see matrix, attachment B) for final approval of the Major Event in writing (email notification is sufficient).

k. The EOL Registration will send the University Unit notification of confirmation and the Chancellor’s designee will email the University Unit the final approval.

2. Registered Campus Organizations (RCO) Hosting a Major Event:

The following steps are required for RCOs to host a Major Event

a. Prior to making any arrangements or reservations, contact your SOLE advisor first, to discuss and obtain initial consent about the scope of the event, including but not limited to: the nature of the
program; number of anticipated guests; any external participants; desired location; and funding sources. The Event Organizer is required to advise the SOLE advisor of information concerning any known or suspected planned demonstrations or other potentially disruptive activity that might occur during the event.

b. Contact Campus Venue Scheduler to reserve location at a minimum of **fifteen (15), preferably twenty (20) working days**. Reserving a campus venue does not guarantee or automatically approve the location or Major Event. The requested Major Event and location is subject to review and approval as outlined below.

c. The RCO Authorized Representative will fill out and submit the EOL Registration form sent by the Campus Venue Scheduler, who will initiate the EOL Registration. EOL Registration notifications will be sent to applicable campus providers and/or administration that will review, comment and/or add stipulations to be completed prior to approval.

d. If tickets are to be sold, contact the Central Ticket Office (CTO) at least fifteen (15) days prior to the Major Event date, preferably twenty (20) working days.

e. The Authorized Representative will complete and submit a Major Event security assessment form at least **fifteen (15) working days** prior to the Major Event. Contact UCLAPD Special Events at 310-825-6543 or at SpecialEvents@ucpd.ucla.edu to request the Major Event security assessment form. See Section IV.1.e of this Policy for more details and requirements.

f. Meet with your SOLE Advisor to review event details at least **ten (10) working days** prior to the Major Event. The SOLE Advisor will schedule an event coordination meeting to exchange information about the event and discuss logistical expectations. The SOLE Advisor may request an additional meeting to ensure that all instructions given (e.g., at the event coordination meeting) have been carried out.

g. At least **ten (10) working days** prior to the Major Event, designate to your SOLE Advisor a representative who is responsible for media relations, so that UCLA Strategic Communications knows with whom to coordinate regarding logistical matters involving media organizations. Any publicity materials for the Major Event must comply with but not limited to, UCLA Policy 110: **Use of the University’s Names, Seals, and Trademarks**, available at http://www.adminpolicies.ucla.edu/pdf/110.pdf.

h. In compliance with UC Business and Finance Bulletin BUS-63 (https://policy.ucop.edu/doc/3520339/BFB-BUS-63), Business and Finance Bulletin 63 submit proof of event insurance at least **ten (10) working days** prior to the Major Event. Event Organizers are encouraged to apply for insurance coverage at the earliest possible time to allow for processing of their insurance application and for underwriting. Please note that submission of an application does not guarantee coverage.

RCO Event Organizers should follow the procedures described at https://ucla.campusconnexionssuc.com/student-campus-groups/registered-campus-organization/event-liability.html to arrange for insurance through the approved University provider (at the time of Policy enactment, Mercer was the approved insurance carrier).

If insurance through the approved University provider is not approved for the event, the RCO can obtain insurance through another provider, as long as the insurance coverage is identical to the coverage provided by the approved University provider.

If insurance through another provider is also not approved, contact the Director of Insurance and Risk Management, who will consult as applicable with the AVC, OAT, or other appropriate office, to determine and assess the risks and liabilities of a non-insured event.

**Note:** If you are unable to obtain insurance, your event may not proceed.
i. When the steps above have been completed, the EOL Registration will send the request to your SOLE advisor for confirmation of the Major Event.
   - Note: The RCO requesting the Organized Event accepts full responsibility for the Major Event.

j. Once the Sole Advisor has confirmed the Major Event, contact the appropriate Chancellor’s designee (see Attachment B) for final approval of the Major Event in writing (email notification is sufficient).

k. The EOL Registration will send the RCO Authorized Representative notification of confirmation and the Chancellor’s designee will email the RCO Authorized Representative the final approval.

3. Non-Affiliates Hosting a Major Event

Non-Affiliates must have a University Guarantor to schedule a Major Event on University Property. See Section IV.3 of UCLA Policy XXX, Organized Events for approved University Guarantors.

Individual Employees and Students that are requesting a Major Event for personal activities, not associated with the University, are required to follow the Major Event steps by Non-Affiliates.

Once the University Guarantor has been established the following steps are for Non-Affiliates to host a Major Event

a. Contact Campus Venue Scheduler to reserve location at a minimum of **fifteen (15), preferably twenty (20) working days**. Reserving a campus venue does not guarantee or automatically approve the location or Major Event. The requested Major Event and location is subject to review and approval as outlined below.

b. The Event Organizer is required to advise the campus venue of information concerning any known or suspected planned demonstrations or other potentially disruptive activity that might occur during the event.

c. The University Guarantor (University Unit, Institutional or Off-Campus Event Guaranty, as applicable) will fill out and submit an EOL Registration form sent by the Campus Venue Scheduler, who initiates the EOL Registration. EOL Registration notifications will be sent to applicable campus providers and/or administration that will review, comment, and/or add stipulations to be completed prior to approval.

d. If tickets are to be sold, contact the Central Ticket Office (CTO) at least fifteen (15) days prior to the Major Event date, preferably twenty (20) working days.

e. Complete and submit a Major Event security assessment form at least **fifteen (15) working days** prior to the Major Event. Contact UCLAPD Special Events at 310-825-6543 or at SpecialEvents@ucpd.ucla.edu to request the Major Event security assessment form. See Section III.G. of this Policy for more details and requirements.

f. Meet with the Campus Venue Scheduler, in consultation with the Events Office, to review event details at least **ten (10) working days**, prior to the Major Event. The Campus Venue Scheduler will schedule an event coordination meeting with the Non-Affiliate (Event Organizers) to exchange information about the event and discuss logistical expectations. The Events Office may request an additional meeting to ensure that all instructions given (e.g., at the event coordination meeting) have been carried out.

g. At least **ten (10) working days** prior to the Major Event, designate to the Events Office a representative who is responsible for media relations, so that UCLA Strategic Communications knows with whom to coordinate regarding logistical matters involving media organizations.

h. In compliance with UC Business and Finance Bulletin BUS-63 ([https://policy.ucop.edu/doc/3520339/BFB-BUS-63](https://policy.ucop.edu/doc/3520339/BFB-BUS-63)), Business and Finance Bulletin 63 requires proof of event insurance at least **ten (10) working days** prior to the Major Event. Event Organizers are encouraged to apply for insurance coverage at the earliest possible time to allow for processing of their insurance application and for underwriting. Please note that submission of an application does not guarantee coverage.

Non-Affiliates (Event Organizers) must submit to the Events Office a Certificate of Insurance naming “THE REGENTS OF THE UNIVERSITY OF CALIFORNIA” as an additional insured and including an additional insured endorsement with General Liability coverage defined by the UCLA Office of Risk Management, but not less than one million dollars ($1,000,000) per occurrence.

The event cannot proceed unless the Certificate is provided to the Events Office at least **ten (10) working days** prior to the event.

The Non-Affiliate Event Organizer may purchase coverage by going to [https://ucla.campusconnexionsuc.com/student-insurance/tenant-user-liability-insurance.html](https://ucla.campusconnexionsuc.com/student-insurance/tenant-user-liability-insurance.html) or through another insurance provider of their choosing. Depending on the risks associated with the event, the Event Organizer may be required to provide higher amounts of general liability coverage, additional types of insurance, or both.

- Note: If you cannot provide proof of insurance, the Major Event will be cancelled.

i. When the steps above have been completed, the EOL Registration will send the request to the University Guarantor for final confirmation.

j. Once the EOL Registration is confirmed, the University Guarantor will contact the appropriate Chancellor’s designee (see Attachment B) for final approval of the Major Event in writing (email notification is sufficient).

k. The University Guarantor will notify the Non-Affiliate of final approval.

Attachment C: Announcement of Rules of Engagement

In the event the University suspects or has actual knowledge of planned demonstrations that could disrupt the event, an explicit notice to the audience will be provided at the beginning of the event.

A UCLA representative or Event Organizer will make an announcement that contains the following elements, articulated consistently across events in both substance and tone, regardless of the viewpoints expressed by the speaker or demonstrators:

1. UCLA respects freedom-of-speech, including the lawful freedom-to-protest;

2. protests may not be so disruptive as to silence the invited speaker from communicating with a willing audience;

3. after a warning, protestors whose actions prevent the event from proceeding will be escorted out, be subject to arrest, and will be held accountable under relevant laws and University policies.

Good evening. My name is [YOUR NAME, TITLE]

Thank you for attending this event. Freedom of speech, which allows for the open exchange of ideas, is a core value at UCLA. As a learning environment, we never shy away from disagreement. Each member of the UCLA community has the right to present speakers and programs, as well as the right to protest speech.

Today’s speaker is brought to us by [UNIVERSITY UNIT], which is hosting this event and invited [SPEAKER NAME] to UCLA. We understand that this talk may prompt sharp disagreement, and we recognize and value the rights of individuals to express their views. But the University will not permit a response or a protest that is so disruptive so as to effectively silence the invited speaker and prevent them from communicating with a willing audience.

Campus officials are present and prepared to approach any individual or group who create a disruption. They will be warned and, if the disruption continues, they will be required to leave and are subject to arrest by the university Police Department. Those individuals could be held accountable under UCLA policy as well as any applicable criminal laws.

Our goal tonight is to have a peaceful and respectful event. Please be mindful of other audience members and thank you for your attention.
